**10.00-11.00, Tuesday, 11 May 2021**

We, a group of civil society organisations from the four EU macro-regions: the Baltic, the Danube, the Adriatic-Ionian and the Alpine invite you to the launch event of our In-Between initiative. Our intention is to combine our efforts and contribute to the work of the Conference on the future of Europe from a macro-regional perspective.

Our guest speakers,

Mr Daniel Freund, MEP, The Greens

Mr Giannantonio Ballette, DG Regio, European Commission

Mrs Christiana Pordes, The World of NGOs, Austria

will set the scene against the backdrop of the Conference on the future of Europe.

With a set of ground-breaking concrete new programmes we intend to be part of the process promoting the idea of a participatory and democratic Europe. Please join us not only at the launch event but all along our adventurous journey.
