

A possible meeting 108 NPs + 108 MEPs

Ten days ago the 7 EP representatives on the Executive Board discussed a proposal from one of the political groups to have a meeting of the 108 MEPs with the 108 NPs, to exchange information and clarify how much united Parliamentarians are for functioning WGs of the Plenary.

This meeting could take place in the afternoon of 13 October, either as part of the EP108 Delegation 16h15-18h45 or around it.
